Summer Membership at Magnolia Wood Pool

All summer members are required to apply for membership on an annual basis and are extended membership upon approval by the Membership Committee appointed by the Board of Directors. Summer members are allowed to be on the property when a Club-paid lifeguard is on duty. There are a maximum of 100 available summer memberships each year. Summer members from previous years have first priority on renewals until April 15 for the upcoming summer season after which all open summer member slots are filled on a first come first served basis.

The summer membership fee is \$550. If you are applying for first time summer membership, please fill out the new member application and send it along with a personal check made out to Magnolia Wood Co., Inc. **At least 2 references from current or former stockholders or summer members are required.**

Your check will be deposited only after your membership has been approved, and you have been notified. If your application is denied, we will return your check using the address on the application. Applications without an enclosed check will not be considered.

Usually each year stock memberships become available for purchase. Stock members have year round access to the club facilities excluding the clubhouse. If you are interested in purchasing stock, please send an email to magnoliawoodpool@gmail.com and a board member in charge of stock memberships will contact you.

Swimmers on the Magnolia Wood Swim team, Marlins, must be current summer or stock members in good standing.

If you have any questions regarding any of the above, please feel free to contact the Board of Directors at the above email or mailing address. You may also visit our website at www.magnoliawoodpool.com for information and additional forms.

Sincerely,

Board of Directors
